Stel - la stel - la stel - la stel - la

pre - ces stel - la - e re - sont

Pax Do - mi - ni ro - go cum stel - la - e

de noc - te ple - nus

stel - lis

Stella, stella, stella, stella, preces stellae resont.  
Pax Domini rogo cum stellae de nocte plenus stellis.

*Star, star, star, star, prayer of a star resounds.  
I pray for the peace of the Lord together with the star in a night full of stars.*
